Profile

A visionary Global Business Engineering student from Bulgaria currently flourishing as an intern for Commercial Development, Salling Group. I have a strong analytical mind and passion to convert data to meaningful business results in retail. Taking an international outlook, and a forward-leaning dedication to learning and developing, I am excited to develop my skills, and apply these to result in strategic success with innovative, data-driven solutions.

Professional Experience

Intern, Trade planing and pricing *Salling Group | Feb 2025 - Jun 2025*
