Profile

Junior Data Scientist with a strong drive to continuously learn and grow. Currently working as Student Assistant in Commercial Analytics at Salling Group, where I'm building practical skills in R, Python, SQL, and Power BI. I'm motivated by challenges and committed to turning data into meaningful business results. Eager to contribute, develop my expertise, and make a real impact through dedicated work and continuous improvement.

Professional Experience

Student Assistant – Commercial Analytics *Salling Group | Jul 2025 - Present*

- Build computer-vision + OCR solutions that replace manual product-data entry for high-volume categories.
- Develop internal automation tools (Python + Power Automate) that cut multi-day media-collection processes to hours.
- Co-create real-time KPI dashboards in Power BI

Intern, Trade planing and pricing *Salling Group | Feb 2025 - Jun 2025*

- Spearheaded a system migration project, enhancing reporting processes and accuracy.
- Automated workflows, streamlining operations and improving efficiency.
- Developing a reporting system, enabling strategic decision-making.

Production Assistant (Part-Time) *Salling Group Warehouse | Nov 2021 - March 2025*

- Supported inventory management with data tools, ensuring operational precision.
- Excelled in a fast-paced environment with strong organizational skills.

Lifeguard, Waiter & Construction Worker *Various Locations, Bulgaria | 2016 - 2019*

- Cultivated resilience, teamwork, and adaptability through diverse roles.

Education

Bachelor's in Global Business Engineering *VIA University College | Aug 2021 - Jan 2026*

- Focused on Software Engineering, Data Analytics, and Business Strategy.
- Delivered data-focused projects with various tools and techniques.

High School Diploma, Mathematics & English *Vasil Drumev High School, Veliko Tarnovo, Bulgaria | Graduated 2020*
